Election Day is the third novel in the Welcome to Keystone series. Set in early November, the novel takes place over the course of one autumn Saturday on which the citizens of Keystone are trying to decide the future of their town through a contest that will pit the rich against the middle class and, in some cases, one family member against another. Summary from the back cover: Election Day in Keystone has finally arrived. Everyone believes that Dennis Lawrence will win, but that may not be the case once Sylvester Riches conspires a way to ensure that Lucifer Riches will win. As she promised, Catherine Cartion attempts to talk to Leticia Featherspoon about Missys recent actions in school. However, Catherine may be forced to question her good intentions when this impromptu parentteacher conference teaches her a shocking lesson about the personalities of the parents of the wealthy. Harry Nander is flattered when his high-school crush, Lorraine Olsen, suddenly begins to express an interest in him. However, Harrys high-school fantasy may come crashing down when a run-in with his ex-wife, Flora Brown, forces him to accept that his dating life is no longer simple. Finally, Zoe Skyler is outraged when she finds that her stepfather, Doug Juniper, and stepbrother, Max Juniper, are changing her mothers values. Will she be able to develop a plan to keep her mothers values solid, or will her mothers own future plans prove to be too much of a match for her This item ships from La Vergne, TN. Paperback.
