Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.By about 1700, the ancestors of today's Botswana (citizens) were established as self-sufficient herders, farmers, and hunters. Their first contact with Europeans was through missionaries in the early 19th century. After hostilities broke out between the Botswana and expansionist Afrikaners from South Africa in the last quarter of that century, the tribal chiefs asked the British for assistance. The British responded and, in 1885, proclaimed a protectorate in what was then called Bechuanaland. They retained colonial control until 1966. Bechuanaland played a prominent role in the British penetration of Central Africa in the 19th century. Cecil Rhodes called the region the Suez Canal to the north and considered it vital to his plans for territorial expansion. British interests in Bechuanaland were primarily strategic, and internal affairs were handled with more or less benign neglect. Under British authority, local tribal governments were allowed to continue, with chiefs retaining much of their authority. With the establishment of separate advisory councils representing Africans and Europeans in 1920, the evolution of modern self-government began. In 1951, a joint...

### Reviews

*It is an awesome publication which I actually have ever read through. It had been written really properly and valuable. I found out this book from my dad and he recommended this pdf to discover.*

*This book is definitely not simple to begin on studying but quite fun to see. I actually have read and that I am sure that I will go on to read through yet again once again in the foreseeable future. It is extremely difficult to leave it before concluding, once you begin to read the book.*
