Brand New Book ***** Print on Demand *****.We live in a time when more and more people need credit just to make ends meet and living on the edge has become the norm. Millions feel the squeeze of more money going out than coming in and seriously want a way off the hamster wheel. Given skyrocketing costs of living, mounting debt, dwindling disposable income, outsourcing and downsizing of jobs, all-time high foreclosures, personal bankruptcies, fewer healthcare benefits and pensions, it now takes something more than it did in times past to achieve financial well-being. That something more is The Quality Life Plan; a refreshing and overdue alternative to conventional financial wisdom. It aims to restore true wealth to middle-class Americans with uncomplicated, personal finance strategies based on the whole story about money. When the root cause of financial problems is exposed, genuine solutions have the power to reduce and reverse them. Finally, there is a way out! Susan Boskey In 1979, upon meeting her most significant mentor, R. Buckminster Fuller, Susan grew to share his perspective that life is either a daring adventure or nothing at all. As co-producer for the last leg of Bucky's final 1983 national speaking tour, Only Personal Integrity is Going to Count, she gained new insight. In particular, Bucky's teachings on systems thinking inspired her to an independent study of the monetary system. Her goal was to learn why, while money greatly benefited a few, it seemed a headache for most everyone else! The Quality Life Plan, a timely and refreshing approach to personal finance, is the result of Susan's 25 years of research.
