

I Am a Polar Bear (Paperback)

Filesize: 8.88 MB

Reviews

Here is the best publication i have got go through until now. It is actually writter in simple phrases and never hard to understand. I realized this publication from my dad and i suggested this ebook to find out.

Av2 by Weigl, United States, 2011. Paperback. Book Condition: New. 241 x 236 mm. Language: English . Brand New Book. Polar Bears are one of the biggest bears in the world. Polars bears ride on floating ice to find food. These astounding facts about this fascinating animal can be discovered in the I Am a Polar Bear book. Polar Bear is part of the Let s Read collection of media enhanced books designed for children ages 5 to 7. These books were created to inspire beginning readers to become independent readers. Educator and reading expert Dr. Edward Fry created a list of 1,000 instant sight words. These 1,000 sight words must be learned by students in elementary grades. By the Third Grade, students are expected to instantly recognize the first 300 of these words. The Let s Read books combine these 300 sight words with vivid color photography and non-fiction content within a Kindergarten to Second Grade curriculum framework. Polar Bear is an AV2 media enhanced book that gives readers access to embedded weblinks, audio and video clips, activities, and other features, such as matching word activities, slide shows, and quizzes.
