BRAND NEW, When You are Sinking Become a Submarine: Winning Through Wisdom and Creativity, Pavan Choudary, In the world of power, there are two kinds of people: the Viles for whom only ends matter and the Naives for whom means are as important as the ends. This book challenges the common belief that a good man hasn't got a chance. It asserts that the path of goodness coupled with creativity and wisdom is the only way to an enduring victory. With real-life examples, practical tips and unique insights, this book enables the Naives to come to terms with the Viles.
