NOTE: Used books, rentals, and purchases made outside of Pearson If purchasing or renting from companies other than Pearson, the access codes for the Enhanced Pearson eText may not be included, may be incorrect, or may be previously redeemed. Check with the seller before completing your purchase. This access code card provides access to the new Enhanced Pearson eText This popular text promotes a learner-centered approach to teaching elementary and middle school mathematics. It provides valuable research-based instructional strategies, resources, and activities to help teachers evaluate how children think mathematically and how to link that knowledge to developmentally appropriate teaching practice. With its strong focus on Common Core Standards and analyzing children s work to meet the individual needs of students, the book helps ensure that all students and teachers can be successful with math. The new edition features integration of the Common Core State Standards throughout, new examples of children s work, updated internet links, expanded videos of children and classrooms, expanded In Practice features, and updated research on mathematics teaching and learning. It is available as an e-book. The Enhanced Pearson eText features embedded video, additional student work samples, and links to related content on the web. Improve mastery and retention with the Enhanced Pearson eText* This access code card provides access to the new Enhanced Pearson eText, a rich, interactive learning environment designed to improve student mastery of content. The Enhanced Pearson eText is: * Engaging. The new interactive, multimedia learning features were developed by the authors and other subject-matter experts to deepen and enrich the learning experience. * Convenient. Enjoy instant online access from your computer or download the Pearson eText App...
