THE MERCURY FOUNTAIN (PAPERBACK)

Akashic Books,U.S., United States, 2012. Paperback. Book Condition: New. 208 x 137 mm. Language: English . Brand New Book. Eliza Factor s first novel, The Mercury Fountain, explores what happens when a life driven by ideology confronts implacable truths of science and human nature. It also shows how leaders can inflict damage by neglecting the real needs of real people. Though the action takes place between 1900 and 1923, the resonance feel alarmingly contemporary. . . Factor counters convention with a sharp sense of character, evocative subplots and the dangerous allure of mercury itself. -- New York Times Book Review Factor develops her characters in entertaining ways while building a novel of social realism. -- Kirkus Reviews Set in a remote stretch of desert near the border of west Texas and Mexico at the turn of the twentieth century, this story follows the pursuits of Owen Scraperton as he struggles to establish Pristina, a utopian community based on mercury mining that aims to resolve the great questions of labor and race. As age, love, and experience cause Owen to modify his original vision, his fiercely idealistic daughter Victoria remains true to Pristina s founding principles--setting them up for a major conflict that captures the imagination of the entire town. The Mercury Fountain combines realistic modern writing with elements from American and Greco-Roman mythology, taking its cue from Mercury, the most slippery and mischievous of gods, who rules over science, commerce, eloquence, and thievery. Eliza Factor was born in 1968 in Boston, Massachusetts, and currently resides in Brooklyn, New York. The Mercury Fountain is her debut novel.
