### ***Reviews***

*A very awesome book with perfect and lucid reasons. It really is basic but shocks within the 50 percent of the book. Its been designed in an exceptionally easy way and is particularly merely right after i finished reading this ebook where in fact changed me, change the way i think.*

Jessica Kingsley Publishers. Paperback. Book Condition: new. BRAND NEW, Asperger Syndrome Employment Workbook: An Employment Workbook for Adults with Asperger Syndrome, Roger N. Meyer, Anthony Attwood, 'This book is an excellent guide for human resource personnel who can tap unto pool of dedicated workers. Overall this is a good book for persons diagnosed with Asperger Syndrome and high functioning autism to better understand themselves. It is also an educational guide for vocational counselors and human resource personnel as it provides in-dept guidance about these potential dedicated employees.' - OAARSN Book Reviews 'This practice manual will enable people diagnosed with Asperger's Syndrome and high functioning autism to deepen their self understanding and appreciate their value as working individuals. The workbook contains practical exercises with clear explanations and examples of how to use them.A personal wish list.' - Contact 'The text is written in an accessible, non-academic style and provides useful background information on Asperger syndrome and the problems individuals may encounter. It contains a useful bibliography and Internet resource section. Although it is concerned with people with Asperger syndrome, there is much that is relevant to others with cognitive impairments. This text would be a useful purchase for those working in supported employment and for university libraries.' - British Journal of Occupational Therapy This practical manual will enable people diagnosed with Asperger Syndrome and high functioning autism to deepen their self-understanding and appreciate their value as working individuals. Through step-by-step self-assessment, the reader is encouraged to engage actively in a self-paced exploration of their employment history, and ultimately to identify the work best suited to their personal needs, talents and strengths. The workbook contains practical exercises, with clear explanations and examples of how to use them. It leads the reader to identify and explore: \* three jobs they have held in...
