The Next America: Moving Beyond a Fragile Economy (Paperback)

By Don Holbrook

Createspace, United States, 2011. Paperback. Book Condition: New. 234 x 156 mm. Language: English . Brand New Book ***** Print on Demand *****.The economic chaos that has created so much destruction of wealth for regular Americans is far from over. This book examines problems and possible solutions within national, international, and local realms that will help us navigate these times and set a course toward calmer waters. While some clamor for more taxes to cover our government's programs, The Next America shows how we can restructure our tax code so it positively affects all aspects of our communities: education, businesses, innovation, political transparency, environmental issues, investments, and more. Concerned citizens and economic players alike will be inspired and motivated to act to reestablish the American Dream during this transitional time. The politics of change are the responsibility of us all, we are part of the problem or the solution, the choice is ours individually. Knowing what progress is reasonable and what will have the greatest benefit to us is imperative to holding our elected officials accountable for what we all desire. Our nation needs us each to act to become informed and outspoken on how to rebuild, retool and...
