Createspace Independent Publishing Platform, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.One usually thinks of misfortune as an act of fate and that we can do nothing to alter the events of our lives. To an extent this is true. A child when left alone in the world is controlled by one of two powers: good or bad, right or wrong, God or the devil. Everyone is challenged by these two forces of life, and each must choose which life he must live. And I believe that is what the Bible says: Train up a child in the way he should go and when he grows he will not depart from it. The dearest and closest person to any child s heart is his mother. An orphan is an unfortunate child and more exposed to attacks of the devil than children with parents. A mother is a protector of body and soul but it becomes double tragedy when both parents are lost and more so in most mysterious circumstances. The course of your life is challenged by some external factors. The crisis is reached when you give over your will one way or the other, for good or evil. He is forced to grapple with issues both personal and spiritual as he tries to understand both physical and spiritual attitude of society, and his own feelings about the place where he was born and spent his childhood.
