The birth of a child is a miraculous event that is momentous for both mother and father. However, it can also be an incredibly hectic time. Wake Up, the Babys Coming is the hilarious account of this wonderful and frenzied experience. One night, Mommy and Daddy are sleeping peacefully. As the baby realizes it is too big for the womb, it cues its mother with a series of sharp kicks. After waking abruptly from her sound sleep, Mommy discovers that it is time to go to the hospital and frantically wakes up Daddy. The couple now faces the chaotic task of gathering their things and traveling to the hospital. Upon arrival, the commotion does not subside as they prepare to give birth to a beautiful baby. However, after all is said and done, two have now become three in this extraordinary experience. Author Tiziana Ciccone lives in Richmond Hill, Ontario where she owns three private preschools. Her inspiration comes from her three children and the preschoolers that have been in her schools over the last thirty years.
