## DEALS FROM HELL: M&A LESSONS THAT RISE ABOVE THE ASHES

DOWNLOAD

JOHN WILEY & SONS INC Apr 2009, 2009. Taschenbuch. Book Condition: Neu. 221x150x30 mm. Neuware - A detailed look at the worst M&A deals ever and the lessons learned from them It's common knowledge that about half of all merger and acquisition (M&A) transactions destroy value for the buyer's shareholders, and about three-quarters fall short of the expectations prevailing at the time the deal is announced. In Deals from Hell, Robert Bruner, one of the foremost thinkers and educators in this field, uncovers the real reasons for these mishaps by taking a closer look at twelve specific instances of M&A failure. Through these real-world examples, he shows readers what went wrong and why, and converts these examples into cautionary tales for executives who need to know how they can successfully navigate their own M&A deals. These page-turning business narratives in M&A failure provide much-needed guidance in this area of business. By addressing the key factors to M&A success and failure, this comprehensive guide illustrates the best ways to analyze, design, and implement M&A deals. Filled with in-depth insights, expert advice, and valuable lessons gleaned from other M&A transactions, Deals from Hell helps readers avoid the common pitfalls associated with this field and presents them with a clear framework for thinking about how to make any M&A transaction a success. PRAISE FOR Deals from Hell 'Whether you are an investor or dealmaker, corporate executive or aspiring MBA looking for a career on Wall Street, you are sure to find this book both troublesome and inspiring.it cannot be otherwise when you carefully examine a series of M&A 'train wrecks' through the same lens as Prof. Bruner, a creative teacher in the field of M&A, who has been able to extract the hard, instructive lessons from these disasters.' - From the Foreword by Arthur...
