Industrial Press. No binding. Book Condition: New. Leather Bound. 1400 pages. Dimensions: 7.8in. x 5.7in. x 2.4in. In commemoration of our 125th Anniversary, we are proud to present the Collectors Edition Replica of the original first edition of the Machinerys Handbook, published in January, 1914. Its the perfect gift for your favorite machinist or to add to your own collection. Own the book that helped industry build! For virtually its entire life in print, Machinerys Handbook has been a world-renowned reference and the Bible of the metalworking and mechanical industries. While we are on this tradition with the publication of the 28th Edition, which includes the most comprehensive and up-to-date selection of practical technical information, data, and standards for these industries found between two covers anywhere, we hope you enjoy this very special Collectors Edition.
