Arion alpinus, Pollonera. Locality: Rivarossa, Piemont. When Pollonera first described this species I had many doubts as to whether it was not a young form of *A. hortensis*. The specimens, however, which he has so generously sent me, have enabled me to make a very careful examination of the internal structure, from which I am inclined to support its specific distinction. The rugffi of this species are interesting, and quite unlike those...
