Xulon Press, United States, 2012. Paperback. Book Condition: New. 274 x 211 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.This book is intended to be used as a guide for parents in communicating with their child in a gentle and loving way. Important issues, such as stranger safety, and appropriate responses to different situations can be difficult or awkward to discuss. The simple activities on each page are inviting and fun for a child to complete with a parent while they listen and respond to each other about these important issues. Scott and Jeanie King have been happily married for 19 years and are blessed to live on a small farm in Michigan with their three beautiful children. They have a deep concern for the safety and well-being of all children, as well the desire to help encourage closer family relationships in a time when many families are split apart. Jesus said, Let the little children come to me, and do not hinder them, for the kingdom of heaven belongs to such as these. Matt 19:14 A portion of the proceeds from the sales of this book is donated to Christian Family Services to help rescue newborn infants from abortion and foster care by placing them into loving, permanent Christian homes.
