## JAPANESE POPULAR CULTURE (HARDBACK)

Taylor Francis Ltd, United Kingdom, 2014. Hardback. Book Condition: New. New.. 255 x 179 mm. Language: English . Brand New Book. Japanese popular culture has developed in many unexpected and fascinating ways. The assembled articles in Volume I of this new Routledge collection of major works provide a comprehensive overview of the postwar history of Japanese popular culture. Topics include the emergence of popular culture as an academic field in Japan; the genesis of manga and anime; analyses of various cultural artefacts and phenomena,...
