There were many instances of heroism in connection with this flood which have rarely been surpassed either on the field of battle or amid the perils of the ocean. In one of the garden houses lived a man named Henry Porton, his family, and a lodger. Porton was awake by the noise of the flood, and thought it was thieves trying to effect an entrance into the house. He got up, and set off to go down stairs, but soon found himself up to the neck in water, upon which he returned upstairs as quickly as possible. He then opened the window, and shouted out to ascertain if there was any one in danger in the adjacent cottages. As...

Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.
