## MEXIFORNIA : A STATE OF A BECOMING

Encounter Books, 2004. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: Noted for his military histories and his social commentary on post-9/11 American life, Victor Davis Hanson is a fifth-generation Californian who teaches college classics courses and runs a family farm. Mexifornia is part history, part political analysis and part memoir. It is an intensely personal book about what has changed in California over the last quarter-century, and how the real losers in the chaos caused by hemorrhaging borders are Mexican immigrants themselves. But Hanson believes that our traditions of assimilation, integration and intermarriage may yet remedy a problem that politicians and ideologues have allowed to get out of hand.
