Simon Schuster Ltd, United Kingdom, 2012. Paperback. Book Condition: New. 230 x 152 mm. Language: English . Brand New Book. The international super-successful What to Expect brand has delivered again - announcing the arrival of a brand-new member of family: What to Expect the Second Year. This essential sequel to What to Expect the First Year picks up the action at baby's first birthday, and takes parents through what can only be called the wonder year - 12 jam-packed (and jam-smeared) months of memorable milestones (from first steps to first words, first scribbles to first friends), lightning-speed learning, endless explorations driven by insatiable curiosity. Not to mention a year of challenges, both for toddlers and the parents who love them, but don't always love their behaviour (picky eating, negativity, separation anxiety, bedtime battles, biting, and tantrums). Comprehensive, reassuring, empathetic, realistic and practical, What to Expect the Second Year is filled with solutions, strategies, and plenty of parental pep talks. It helps parents decode the fascinating, complicated, sometimes maddening, always adorable little person last year's baby has become. From the first birthday to the second, this must-have book covers everything parents need to know in an easy-to-access, topic-by-topic format, with chapters on growth, feeding, sleeping, behaviours of every conceivable kind, discipline (including teaching right from wrong), and keeping a toddler healthy and safe as he or she takes on the world. There's a developmental time line of the second year plus special milestone boxes throughout that help parents keep track of their toddler's development. Thinking of travelling with tot in tow? There's a chapter for that, too.
