The Society was organized February 17th, 1879, with seventeen members. It was incorporated December 13th, 1887. The Society has published three volumes of Transactions, one volume of Abstract of Transactions, two Special Papers and six volumes of a quarterly journal entitled The American Anthropologist. Honorary, Active and Life members are entitled to the Anthropologist and all publications of the Society; Corresponding members pay two dollars per annum for the Anthropologist. The lists of members are brought down to date and the addresses given include first the usual or business address, the other the residence, and the city of Washington is understood where no place is given. It is requested that any corrections be sent to the Secretary of the Board. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
