Brand New Book ***** Print on Demand *****.Gusta believes that the war is over, but nothing could be further from the truth. As the Keruh fight a bloody rearguard action in an attempt to delay the advancing Androktones, Didi, Gusta and Kiki, and the other Edenite survivors in Jutlam City, at last come under the protection of the Ambassador. But the Ambassador's representative is large, silver, with a mouth-full of teeth. The drone, El-Quan is as confused by her charges as they are scared of her, but there are worse dangers ahead, and they aren't all Keruh. Yan-Jai is the largest drone on Eden and she no longer cares who she kills, friend or foe. And the distinction between friend and foe is becoming decidedly blurred. It is a love that soon burns brightly but must be short-lived. In the running battles that follow, the Prometheus receives a fatal hit, and a race begins to save the crew as the ship begins to tear itself apart. The Friendly Ambassador is a four part galactic epic...
